Dear Jim,

Odds and ends as I try to catch up again:

Your 7/29: thanks on Scott. He has sent nothing and at this point, if he has any self-respect, won't on checking his reference. It says nothing at all like what he told me. It does not say that he or his law firm represented the CDM, only that he wrote a letter out of humanitarian motive.

Fielding apartment break-in: only such report the one you cite, Sunday Exam 7/15. Seems more likely only a stakeout to be sure they don't get caught.
